

CERTIFICATION OF ADEQUACY OF SEARCH ON
"NO RECORD" RESPONSES

I, Lee Furse, certify that I am employed by the Environmental Protection Agency, Region 4, in Atlanta, Georgia (or acting as a representative) as FOIA Specialist, that I am familiar with the records requested and/or that I am responsible for conducting the search for responsive records for Request Identification Number: EPA-R4-2016-008050, and that I have conducted an "adequate" search for responsive records by searching the below listed location(s) (as applicable):

Pesticides Imports Tracking System

Notices of Arrival forms claiming CBI files

I further certify that I am aware that a search for responsive records need not be perfect, only adequate and that adequacy is measured and/or determined by the "reasonableness" of the effort of the search in light of the specific request. Specifically, I have searched for the documents in all places that it is practical for the documents to be located. Moreover, after conducting an adequate search for records on behalf of the Air/Pesticides Division/Unit, I have located no records responsive to this request or portions thereof. Further, I am attaching an itemized listing of all records which my search supports are not in the Region's possession.
